

# ONSHIFT COVID-19 VACCINE EMPLOYEE SURVEY RESULTS

OnShift surveyed over 6,000 employees in long-term care and senior living to explore staff willingness, timeframes and mandates of the COVID-19 vaccine. The following data was collected from December 4, 2020 – December 14, 2020.

## KEY FINDINGS

- ✓ **32%** are planning to get the vaccine
- ✓ **39%** are planning to decline the vaccine
- ✓ **29%** are unsure if they will get the vaccine

Do you plan on receiving the COVID-19 vaccine?

If the COVID-19 vaccine is mandated for healthcare employees, will you receive the vaccine?

(For respondents who did **not** indicate 'Yes, as soon as the vaccine is available')

### About OnShift, Inc.

OnShift's next-generation human capital management platform fundamentally transforms the relationship between healthcare organizations and their employees. Our innovative approach to recruitment, hiring, workforce management and engagement fosters a culture where people want to work. That's why thousands of healthcare organizations rely on OnShift's integrated suite of software and services to dramatically reduce turnover rates, decrease costs and improve the quality and continuity of care.
