How it works

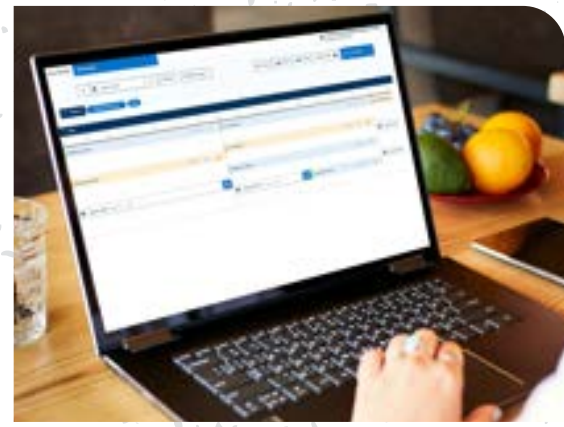

1 Prioritize your employees

Schedule your employees more effectively. Their shift requests are prioritized and can be automatically approved.

“SAMI allowed our leadership to focus on the big picture and our team to focus on resident care and their own well-being.”

→ **Jessica Hunter**

Senior Operations Support Executive,
Vista Springs

2 Follow your rules and budget

Gain full workforce transparency and stay within budget with easy access to data and processes that help you fill shifts cost-effectively.

“The OnShift and ShiftKey partnership has been extremely successful. The level of visibility we have now is priceless as we build for the future.”

→ **Nicole Kummala**

Senior Direct of Operational Support,
Touchstone Communities

3 Fill your open shifts

Automatically access the ShiftKey marketplace to fill select PRN shifts with best-fit independent professionals.

“The way SAMI seamlessly integrates ShiftKey’s robust marketplace with OnShift’s scheduling capabilities has completely transformed our workforce strategy.”
