

Human Capital Management Software Purpose-Built For Senior Care

OnShift's integrated suite of software and services empowers providers to dramatically reduce turnover rates, decrease costs and improve the quality and continuity of care.

✓ Purpose-Built for Senior Care

✓ Easy-To-Use

✓ Proven ROI

✓ Predictive & Proactive

Acquire Quality Talent With OnShift Employ

Streamline the hiring process with a robust talent acquisition software to source, recruit, screen, hire and onboard candidates with lightning-fast efficiencies.

Create A Better Workplace With OnShift Engage

Monitor staff satisfaction in real-time, quickly capture employee feedback and reward contributions to improve employee engagement and retention.

Eliminate Traditional Timeclocks With OnShift Time

Bring staff a modern, mobile, contactless time & attendance experience, decrease excess labor costs, improve timecard accuracy and safeguard against COVID-19.

Ease Employee Financial Stress With OnShift Wallet

Show employees that you care with instant access to earned wages, between paychecks, for better recruitment and lower turnover.

Staff Consistently With OnShift Schedule

Create schedules and fill shifts in minutes, reduce overtime 50%-70% and improve employee communications with easy-to-use online and mobile scheduling.

Stay Compliant With OnShift Payroll-Based Journal Reporting

Easily collect, review and submit all required staffing information to meet Payroll-Based Journal reporting requirements.

REDEFINING THE EMPLOYEE EXPERIENCE

OnShift's next-generation human capital management platform fundamentally transforms the relationship between healthcare organizations and employees with an innovative approach to recruitment, hiring, scheduling and engagement. Learn more at www.OnShift.com.
