

END-TO-END EMPLOYEE ENGAGEMENT SOFTWARE FOR A BETTER WORKPLACE

Because An Engaged Workforce *Works!*[™]

OnShift® Engage™ focuses on what matters most - your people - to drive success. An engaged workforce leads to higher productivity, quality, and profitability.

✓ **Improve staff satisfaction & engagement**

✓ **Grow manager, team & employee relationships**

✓ **Boost organizational culture & performance**

Connect Managers, Teams & Employees To Build Relationships

Actionable data and prompted messaging facilitate communication & conversation to nurture stronger relationships.

Take Action With Real-Time Employee Feedback

Fast and easy pulse surveys capture employee satisfaction and feedback - so managers can take action.

Recognize & Reward Contributions To Improve Satisfaction

Automated points-based rewards system tracks and incentivizes employee behaviors so contributions are highlighted and rewarded.

Spark Success By Tracking New Hire Performance

Focus on new employees' success from day one with alerts and dashboard highlights.

Monitor Staff Satisfaction & Performance

At-a-glance reports provide insight into staff satisfaction and performance, identifying areas for improvement.

“We see OnShift Engage as a way to differentiate our organization and improve employee retention.”

Dan Leamon,
Executive Vice President of
Operations, Altercare of Ohio
